

April Update - bidadoo Marketplace and Auction Highlights

bidadoo web traffic doubled Year-Over-Year as buyers and sellers turn to trusted online auctions and marketplaces. bidadoo had a 36% increase in sales from April of last year with increased demand both from buyers and sellers, as they turn towards bidadoo - a trusted 100% online marketplace. During the COVID-19 crisis, many strategic accounts - existing and new - have pivoted to bidadoo as their preferred remarketing partner, while many traditional sales models and live auction sites have shut down for buying or bidding.
